APPLICATION PACKET
PLANNED UNIT DEVELOPMENT REVIEW – GENERAL DEVELOPMENT PLAN
Community Development Department
Charter Township of Plymouth

1. PURPOSE

The purpose of the Planned Unit Development (PUD) General Development Plan Review process is to afford the Planning Commission and the Board of Trustees an opportunity to determine whether the proposal is consistent with the requirements of Section 23.10 of the Charter Township of Plymouth Zoning Ordinance, and other applicable planning and engineering standards of the Township. A copy of the Zoning Ordinance can be found on the Township website: <http://www.plymouthtwp.org>. Information found in the Zoning Ordinance is essential for the completion of PUD General Development Plan Applications.

2. APPLICATION REVIEW PROCESS

A. Submittal to the Community Development Department

The following items are required to be submitted for all PUD General Development Plan Applications:

1. Application Form
 - a) Planning Commission & Community Development Department Application (2 pages)
 - b) Submittal Certification (1 page)

See Section 3 of this packet for instructions. A copy of the Application Form is attached and made part of this packet.
2. Detailed Project Narrative of the Proposed Land Use (To be placed directly on each of the 17 copies of the General Development Plan)
See Section 4 of this packet for instructions.
3. General Development Plan (17 copies, folded, printed at 24" x 36")
See Section 5 of this packet for instructions. A PUD General Development Plan Review Checklist is attached and made part of this packet.
4. Planned Unit Development Contract (17 copies)
See Section 6 of this packet for instructions.
5. Presentation PDF (1 copy)
See Section 7 of this packet for instructions.
6. Review Fee
A copy of the current Schedule of Fees is attached and made a part of this packet. If you have any questions, please contact the Community Development Department.

Charter Township of Plymouth

B. Technical Review

The Technical Review for PUD General Development Plan Applications is a 2-step procedure, which consists of a recommendation by the Township Planning Commission, and approval by the Township Board of Trustees. The Board of Trustees is the final approval authority for all PUD General Development Plan applications. The timeline for approval is fully dependent upon the quality of the plans and documentation submitted to the Township.

The completed PUD General Development Plan Application will be placed on the agenda for review at the next regular Planning Commission meeting, according to the submission date. All the supportive data and plans submitted with the application will be forwarded to Township Staff and Consultants for review and comments.

Reports from Township Staff and Consultants will be available the Friday before the Planning Commission meeting, and will be emailed to the titleholder of the property, or his/her appointed project agent, as specified on the Application Form.

C. Planning Commission Meeting

The Planning Commission meets on the third Wednesday of each month, at 7:00 P.M., in the Town Hall meeting room, located at 9955 N. Haggerty Road. The exception is the month of December, in which the meeting is held on the second Wednesday. If the titleholder of the property, or his/her appointed project agent, is not present for the meeting at which the proposed PUD General Development Plan Application will be considered, the application will be tabled and no action will be taken.

D. Board of Trustees Meeting

Following a recommendation by the Planning Commission, the application will be placed on the agenda for the next available Board of Trustees meeting. The Board of Trustees meetings are typically held on the second and fourth Tuesday of each month, at 7:00 P.M., in the Town Hall meeting room, located at 9955 N. Haggerty Road. Supportive data and plans submitted to the Planning Commission for recommendation will be forwarded to the Board of Trustees by the Community Development Department. In some cases, revised plans may be required.

E. Final Stamp

If PUD General Development Plan Approval is granted by the Board of Trustees, 5 sets of plans must be submitted to the Community Development Department for final stamp and sign-off, following the Board of Trustees meeting. The plans for final stamp should incorporate all detail sheets that were submitted to the Planning

Charter Township of Plymouth

Commission and the Board of Trustees for General Development Plan Review, and should contain all the applicable information required in the PUD General Development Plan Review Checklist, a copy of which is attached and made part of this packet. In addition, the plans for final stamp must reflect all changes required by the Planning Commission and the Board of Trustees, as conditions of approval.

If all items have been addressed, then Township Staff and Consultants will sign off on the plans and 2 copies of the stamped plans will be made available to the titleholder of the property, or his/her appointed project agent. Upon receipt of the stamped plans, the titleholder of the property, or his/her appointed project agent, must create 1 PDF version of the stamped plans and email a copy of the PDF to the Community Development Department. This will signify the end of the PUD General Development Plan Review process.

PUD General Development Plan Approval is effective for a period of 12 months. The next step would be PUD Final Development Plan Review. PUD General Development Plan Approval does not constitute Final Development Plan Approval, or the approval of a site plan, plat, or condominium subdivision plan.

3. APPLICATION FORM

The Application Form consists of the following 2 documents: the Planning Commission & Community Development Department Application, and the Submittal Certification.

A. Planning Commission & Community Development Department Application (2 Pages)

The Planning Commission & Community Development Department Application shall be signed by the titleholder of the property. If the titleholder of the property chooses to appoint a project agent to act on his/her behalf, then the document must be signed by both the titleholder of the property, and his/her appointed project agent.

B. Submittal Certification (1 Page)

The Submittal Certification shall be signed by the titleholder of the property, or his/her appointed project agent.

4. DETAILED PROJECT NARRATIVE OF THE PROPOSED LAND USE

A detailed Project Narrative, which clearly describes the proposed Planned Unit Development, must be provided. The Project Narrative should include the proposed uses, the architectural theme or style to be followed, the relationship of the proposed development to the surrounding area, and all anticipated impacts associated with the

proposed project including measures to be taken to mitigate or minimize any negative impacts (environmental impacts, impacts to off-site traffic conditions, etc.). For a multi-phase Planned Unit Development, the Project Narrative should also describe the proposed phasing of the project. *The Detailed Project Narrative of the Proposed Land Use must be placed directly on each of the 17 copies of the General Development Plan.*

5. GENERAL DEVELOPMENT PLAN

The information required for the General Development Plan is provided in the PUD General Development Plan Review Checklist, a copy of which is attached and made part of this packet. The General Development Plan shall contain the same information required for a tentative site plan, tentative preliminary plat, or preliminary condominium subdivision plan, depending upon the nature of the Planned Unit Development project being proposed. General Development Plan Approval shall confer approval of the general layout and establish any conditions necessary for Final Development Plan Approval.

Detailed engineering and drawings are not required at the PUD General Development Plan Review phase. After General Development Plan Approval has been secured, detailed engineering drawings must be submitted for the Township Engineer's review prior to Final Development Plan Approval.

6. PLANNED UNIT DEVELOPMENT CONTRACT

It shall be the responsibility of the titleholder of the property, or his/her appointed project agent, to present a Planned Unit Development Contract to be entered into by the titleholder of the property and the Township. The proposed Planned Unit Development Contract is subject to the approval of the Township Attorney. The Community Development Department will forward the proposed contract to the Township Attorney for review.

The Planned Unit Development Contract must be consistent with the requirements of Section 23.9 of the Township Zoning Ordinance, which is available on the Township website: <http://www.plymouthtp.org>.

7. PRESENTATION PDF

At least 1 week prior to the Planning Commission meeting, a PDF of the following items must be emailed to the Community Development Department for presentation at the Planning Commission meeting (these items will be projected onto a screen in the Town Hall meeting room):

APPLICATION PACKET
PLANNED UNIT DEVELOPMENT REVIEW – GENERAL DEVELOPMENT PLAN
Community Development Department
Charter Township of Plymouth

- A. A General Development Plan layout, at the scale submitted for review, and rendered in a manner to identify proposed buildings, paved areas, lawn and landscape areas, etc. A colored rendering is recommended.
- B. A colored rendering of each of the proposed building elevations, indicating the proposed materials and height of the buildings.
- C. Cross-sections shall be provided through several locations on the site, which illustrate the various proposed grades, materials, screening, landscaping, etc. The number and location of the cross-sections shall be such that the Planning Commission will receive an accurate portrayal of the proposed site as well as its uses and views from adjacent properties and roads. The cross-sections shall be rendered, and vertical and horizontal scale shall be the same.

8. SUBMISSION DATES

All PUD General Development Plan Applications, along with required plans and supportive data, shall be submitted to the Community Development Department. In order to be considered for placement on the Planning Commission agenda, all information must be submitted by the close of business at least 20 working days prior to the meeting date. A complete list of meeting dates and submission deadlines is available on the Township website <http://www.plymouthtp.org>.

9. STAFF AND CONSULTANT MEETINGS

Township Staff and Consultants are available to meet with you, for a fee, if you have any questions or wish to discuss your application. Appointments are made through the Community Development Department. Cancellations must be made 24 hours in advance of the meeting. Individuals, who fail to make the appointment and fail to notify the Community Development Department, will be charged for 1 hour of the consultant's time.

PUD GENERAL DEVELOPMENT PLAN REVIEW CHECKLIST

Community Development Department

Charter Township of Plymouth

The following checklist is intended to be a general guide for all PUD General Development Plan submittals. Please refer to the Township Zoning Ordinance for specific requirements. Care should be taken to ensure that all required information is included on the General Development Plan. Failure to supply any of the required information may prevent the application from being placed on the Planning Commission agenda, or may cause the application to be tabled at the meeting.

	REQUIREMENT	PROVIDED	N/A
GENERAL INFORMATION	The name, address, and telephone number of the owner/developer.		
	The professional seal and signature, name, address, and telephone number of the person or firm preparing the General Development Plan.		
	The name and address of the proposed project.		
	The scale, north arrow, and date of preparation (including revision dates).		
	The legal description of the property, including sidwell number, as determined by an existing title policy or a recent boundary survey. Acreage parcels shall be described in metes and bounds. Platted lots shall be described by lot number(s) and liber and page.		
	A location or vicinity map showing the site location in relationship to streets, major thoroughfares, drainage courses or bodies of water, railroad lines, section lines, etc.		
	The zoning of the subject property and the adjacent properties.		
	A detailed Project Narrative of the proposed land use.		
	A note indicating any variances previously received.		

	REQUIREMENT	PROVIDED	N/A
EXISTING SITE CONDITIONS	Gross acreage of the site to the nearest tenth of an acre.		
	Net acreage of the site to the nearest tenth of an acre.		
	All property lines fully dimensioned, as per the legal description.		
	The existing and proposed road right-of-way, including the centerline of the road, dimensioned.		
	The street setback line delineated, as per the Zoning Ordinance.		
	Topographic Survey of all existing topography both on-site and within 100 feet of the boundaries of the site referenced to at least one, and whenever possible 2, permanent U.S.G.S benchmarks. The Topographic Survey must show the following information:		
	All existing structures, buildings, sidewalks, paved or gravel parking areas, and driveways both on the subject property and within 100 feet of the subject property boundaries.		
	The location and/or size and depth (\pm) of all existing sewer, water, gas, telephone, and electrical utility lines, and associated structures, both on-site and adjacent to the site.		
	Verification of ownership of all existing utilities and/or rights-of-way.		
	All existing (recorded) easements for utilities and/or rights-of-way.		
	The location of any 100-Year Floodplain and floodway locations present on the subject property, or within 50 feet of the subject property, shall be shown by contour line. If not present, then a note to that effect must be provided.		
	The location of any known or anticipated wetlands present on the subject property, or within 50 feet of the subject property, shall be shown. If not present, then a note to that effect must be provided.		

	REQUIREMENT	PROVIDED	N/A
BUILDING, STRUCTURE, & SITE DETAILS	All front, side, and rear yard setbacks delineated, as per the Zoning Ordinance.		
	The distances from the property line to existing and/or proposed structures.		
	The distances between existing and/or proposed buildings.		
	The location, dimensions, height, and number of stories for all existing and/or proposed structures.		
	The gross floor area of all existing and/or proposed structures. In the case of multiple-family structures, a schedule of dwelling units should be included. The schedule should indicate the total number of units broken down by number of bedrooms and keyed to the buildings indicated on the site plan.		
	For residential uses, a calculation of the proposed density of the units must be provided.		
	Schedule showing maximum allowable lot coverage per the Zoning Ordinance, and proposed lot coverage.		
	Details of all existing and/or proposed screen walls or fences showing the location, height, type of material to be used, and relationship to grading on both sides.		
	For residential structures, the location and size of any proposed decks or patios must be shown.		
	For residential uses, a calculation of the private residential outdoor living space allocated for each dwelling unit must be provided.		
	For residential uses, a calculation of the common residential outdoor living space allocated for the development, based upon the gross residential floor area of the entire PUD, must be provided.		
	For residential uses, the location and detail of proposed mailbox facilities must be shown.		
	Indicate method of solid waste collection to be used. If waste receptacles are being proposed, provide location, detail, and method of screening of the enclosure.		

	REQUIREMENT	PROVIDED	N/A
PARKING & CIRCULATION	The parking lot layout showing the dimensions of the parking bays, maneuvering lanes, islands, turnarounds, the location of directional signage, and pavement markings. The location and type of surfacing for all pavement and curbs must be indicated.		
	The location and dimensions of barrier-free spaces and barrier-free ramps.		
	A table showing the total number of parking spaces required for the proposed use of the property, as per the Zoning Ordinance, and the total number of parking spaces being proposed. The table should include the calculations used to determine the number of parking spaces required as well as the number of parking spaces being proposed.		
	The location and dimensions of any loading and unloading spaces, service areas, and/or stacking spaces.		
	The area designated for "snow storage" must be shown.		
	The location and width of access drives and abutting streets, including radii information.		
	Illustrate route and dimensions for turning movements of expected truck traffic, tankers, delivery vehicles, waste receptacle vehicles, etc.		

	REQUIREMENT	PROVIDED	N/A
PARKING & CIRCULATION (CONTINUED)	Approaches to roads under the jurisdiction of Wayne County are required to meet County standards and permit requirements. A note to that effect must be provided.		
	Approaches to roads under the jurisdiction of MDOT are required to meet State of Michigan standards and permit requirements. A note to that effect must be provided.		
	A letter from the road agency with jurisdiction indicating the approval of the location and geometrics of any proposed ingress/egress. <i>Please Note: This letter is not required at the General Development Plan Review phase, but is required for Final Development Plan Review.</i>		
	The location and width of existing and/or proposed sidewalks.		

	REQUIREMENT	PROVIDED	N/A
LANDSCAPE & SCREENING	The location and size of all landscape areas, including proposed greenbelt, buffer, or tree preservation areas.		
	Landscape Plan for the entire site illustrating plantings for all landscape areas and including the following information: <i>Please Note: A formal Landscape Plan is not required at the General Development Plan Review phase, but is required for Final Development Plan Review.</i>		
	The location, height, and material of all existing and/or proposed landscape elements, including screen walls, fences, berms, paving, etc.		
	A Landscape Schedule indicating the type, size, and quantity of plant materials. If applicable, calculations used to determine the quantity of trees and shrubs required to meet the Zoning Ordinance must be included on the Landscape Plan.		
	A written description on the Landscape Plan of landscape maintenance procedures and frequencies to be followed.		
	A note on the Landscape Plan indicating that all landscaping shall be kept in a neat, orderly, and healthy growing condition, free of debris and refuse.		
	A note on the Landscape Plan indicating that pruning shall be minimal to assure the proper maturation of plants.		
	A note on the Landscape Plan indicating that all landscape areas will be irrigated by an automatic, underground irrigation system.		
	The tree and shrub planting details.		
Cross-sections illustrating relationship between proposed grades, materials, landscaping, screening, etc.			

	REQUIREMENT	PROVIDED	N/A
SIGNAGE	The location of all proposed signage and sign structures must be shown.		
	Details of the proposed signage must be shown and are subject to Planning Commission Approval during the Final Development Plan Review.		

	REQUIREMENT	PROVIDED	N/A
LIGHTING	The location, type, and height of all outdoor lighting must be indicated on the General Development Plan.		
	Photometric Plan, as per the Zoning Ordinance.		
	Cut-Sheets for all proposed outdoor light fixtures.		

	REQUIREMENT	PROVIDED	N/A
ARCHITECTURE	Building façade elevations for each side of the building indicating the type of building materials, colors, height, and architectural detail.		
	Schematic floor plan showing the general relationship between the interior spaces of the building and the exterior operations of the site.		
	Any proposed rooftop equipment must be shown and the method of screening must be indicated on the site plan. If no rooftop equipment is being proposed, then a note to that effect must be provided.		

	REQUIREMENT	PROVIDED	N/A
ENGINEERING INFORMATION	The proposed grade elevations showing all high points, low points, and grade changes on the site, including the grades of the property corners and along the perimeter of the site. In addition, the finish grades of the building corners, driveways, sidewalks, parking areas, culvert inverts, ditch or swale lines, and along the right-of-way, must be shown and must be clearly differentiated from existing grade elevations by underlining, boxing, or some other means.		
	A note must be provided on the plan indicating that all utility lines or similar facilities servicing the PUD development shall be placed and maintained underground at all points within the boundaries of the site.		
	Schematic layout of the location and/or size and depth of all proposed sewer, water, gas, telephone, and electrical utility lines, and associated structures, both on-site and adjacent to the site.		
	Detailed Engineering Drawings including the following information: <i>Please Note: Detailed engineering drawings are not required at the General Development Plan Review phase, but are required for Final Development Plan Review.</i>		
	The length, size, and slope of the pipe to be used for each of the proposed storm sewer, sanitary sewer, and watermain lines.		
	The type of pipe to be used for each of the proposed storm sewer, sanitary sewer, and watermain lines.		
	The rim and invert elevations of all proposed structures for each of the proposed storm sewer, sanitary sewer, and watermain lines.		
	The invert elevation at the building and at the point of connection for the main sanitary sewer line.		
	The bedding and backfill requirements for each of the proposed storm sewer, sanitary sewer, and watermain lines.		
	The profile views of all proposed storm sewer, sanitary sewer, watermain lines.		

	REQUIREMENT	PROVIDED	N/A
ENGINEERING INFORMATION (CONTINUED)	The depth of the lead at the easement or right-of-way line from the final grade.		
	Indication of the proposed water service to the building, and a notation of the size.		
	Location of fire hydrants and gate valves.		
	Storm sewer calculations must be provided for all sites.		
	The "Township Engineering Design Standards, Notes, and Details" sheets.		
	Soil erosion and sedimentation control measures.		
	Proposed pavement specifications and/or cross-section detail.		
	Acceleration, deceleration, and passing lanes and tapers on major thoroughfares, as required by MDOT or Wayne County.		
	Written description of utility easements.		
	Written detailed cost estimate for the construction of the proposed sanitary sewer or watermain.		
	A quantity list of all public improvements.		

	REQUIREMENT	PROVIDED	N/A
REQUIRED DOCUMENTS	Written approval and recommendations of any public utility, state agency, or county agency with jurisdiction. <i>Please Note: The approval letters are not required at the General Development Plan Review phase, but are required for Final Development Plan Review.</i>		
	Planned Unit Development Contract consistent with the requirements of Section 23.9 of the Township Zoning Ordinance.		
	If the proposed PUD is part of a condominium, the Master Deed and Bylaws consistent with the requirements of Section 23.12 of the Township Zoning Ordinance.		

	REQUIREMENT	PROVIDED	N/A
PRESENTATION PDF	A General Development Plan layout, at the scale submitted for review, and rendered to identify proposed buildings, paved areas, lawn and landscape areas, etc. A colored rendering is recommended.		
	A colored rendering of each of the proposed building elevations, indicating the proposed materials and height of the buildings.

All revisions will be ½ of the original fee. A first review fee will be charged if revised application is submitted later than 180 days or if substantial modifications are made, per the determination of the Township.

Additional Engineering and Attorney fees may be required for all applications, and invoiced by time and material.

All recording fees are the responsibility of the applicant.

No refunds will be given once the application has been processed and funds deposited with the Treasurer's Office (excluding escrow).
