IV. APPLICANT SIGNATURE (Sign below at the X)

The State Construction Code Act, Act No. 230 of the Public Acts of 1972, as amended, requires pipe fittings, solder or flux, which are used in the installations or repair of a plumbing system in a building or structure, providing water for human consumption or public water system, be lead free. Lead free is defined as solder or flux containing not more than 0.2% lead; and pipe and pipe fittings containing not more than 8% lead. These provisions do not apply to leaded joints necessary for the repair of cast iron pipes.

A COPY OF PLUMBING CONTRACTOR LICENSE AND DRIVER LICENSE REQUIRED WITH REGISTRATION

V. HOMEOWNER AFFIDAVIT (FOR HOMEOWNERS PERMIT ONLY) (Sign Below at the X)

I hereby certify the plumbing work described on this permit application shall be installed by myself in my own home in which I am living or about to occupy. All work shall be installed in accordance with the Plumbing Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the Plumbing Inspector. I will cooperate with the Plumbing Inspector and assume the responsibility to arrange for necessary inspections.

General: Plumbing work will not be started until the permit has been issued. All installations shall be in conformance with the Plumbing Code. No work shall be concealed until it has been inspected.
All inspections are scheduled on-line at www.plymouthtwp.org through your AMG account.

EXPIRATION OF PERMIT: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months time of commencing the work or date of last inspection.

SUSPENDED PERMITS CANNOT BE REFUNDED OR REINSTATED.
