1. PURPOSE

The Township Zoning Ordinance has established a procedure by which the titleholder(s) of property may initiate an amendment to the zoning district boundaries identified on the official Zoning Map. The purpose of the Rezoning Review process is to afford the Planning Commission and the Board of Trustees an opportunity to determine whether the proposed rezoning would be compatible with the existing and future use of adjacent properties and other principles of sound planning. A copy of the Zoning Ordinance can be found on the Township website: <http://www.plymouthtp.org>. Information found in the Zoning Ordinance is essential for the completion of Rezoning Applications.

B. Technical Review

The Technical Review for Rezoning Applications is a 2-step procedure, which consists of a recommendation by the Township Planning Commission, and approval by the Township Board of Trustees. The Board of Trustees is the final approval authority for all Rezoning Applications. The timeline for approval is fully dependent upon the quality of the plans and documentation submitted to the Township.

The completed Rezoning Application will be placed on the agenda for public hearing and review at the next regular Planning Commission meeting, according to the submission date. All the supportive data and plans submitted with the application will be forwarded to Township Staff and Consultants for review and comments.

Reports from Township Staff and Consultants will be available the Friday before the Planning Commission meeting, and will be emailed to the titleholder of the property, or his/her appointed project agent, as specified on the Application Form.

C. Planning Commission Meeting

The Planning Commission meets on the third Wednesday of each month, at 7:00 P.M., in the Town Hall meeting room, located at 9955 N. Haggerty Road. The exception is the month of December, in which the meeting is held on the second Wednesday. If the titleholder of the property, or his/her appointed project agent, is not present for the meeting at which the Rezoning Application will be considered, the application will be tabled and no action will be taken.

D. Board of Trustees Meeting

Following a recommendation by the Planning Commission, the application will be placed on the agenda for the next available Board of Trustees meeting. The Board of Trustees meetings are typically held on the second and fourth Tuesday of each month, at 7:00 P.M., in the Town Hall meeting room, located at 9955 N. Haggerty Road. Supportive data and plans submitted to the Planning Commission for recommendation will be forwarded to the Board of Trustees by the Community Development Department.

E. Amendment of the Township Zoning Map

If the Rezoning Application is approved by the Board of Trustees, the Community Development Department will amend the Township Zoning Map to reflect the change in zoning. This will signify the end of the Rezoning Review process. Rezoning Approval shall confer approval to develop the subject property under the amended zoning designation. Rezoning Approval does not constitute approval of a site plan, plat, or condominium subdivision plan.
