'EVENING OFFICE HOURS' AT TOWNSHIP HALL COMING IN APRIL

Plymouth Township Hall will be open 'after hours' starting April 4, 2017.

The offices of Supervisor, Treasurer, Clerk, and Building Department will be open every first and third Tuesday from 4:30 p.m. to 7 p.m. for residents looking for help with township government – things like paying bills, getting a passport application, or getting information on a building permit.

"Our hardworking taxpayers deserve a township government that fits their busy schedules," said Supervisor Kurt Heise. "Our new evening hours will help residents who otherwise can't make it to Township Hall during the day."

Supervisor Heise, Treasurer Mark Clinton, Clerk Jerry Vorva, Building Director Mark Lewis and select staff will be on hand from 4:30 p.m. to 7 p.m. to answer questions and provide assistance on most administrative matters, or simply to hear questions and concerns from residents.

Supervisor Heise sees the new evening hours as just another example of how the new leadership is 'changing the culture' at township hall. "We're doing our best to live up to our township motto – 'people, our priority,' Heise said. We're listening to our customers and working to help wherever we can."
